

Ultimate Birthday Party

Birthday Parties at **Kil's Taekwondo**
are Unforgettable Events!

Here's why:

- **Our parties are 2.0 hours of laughs and smiles** – Your child and all their guests will have a blast! We know that most of your guests aren't karate students so we plan games and activities that everyone can enjoy.
- **We do all the set up** – We have everything ready from decorations / balloons / cake and gift tables / tableware and games
- **We provide a qualified instructor to lead all the fun** – Our party leaders have received special training on how to make sure that your child and all their guests have a fantastic time!
- **We supervise everything so you don't have to** – From the moment your guests arrive, the fun begins. We manage it all including clean up, so all you have to do is watch and enjoy!

Our birthday parties are just: \$175 for up to 10 guests \$260 for up to 15.

Just bring your cake and your camera and we'll do a party your child and their friends will never forget!
